Monday - 9 November 1959

3. [redacted] called to advise us of a briefing on the functions of the Atomic Energy Information and Exchange Committee to be held at 2:00 PM on 18 November in Dr. Scoville's office. We are to advise [redacted] if OGC members wish to attend.

4. Chatted by telephone with John Lehman, <sup>Clerk</sup> Chairman of the Joint Economic Committee, concerning the Director's appearance on Friday. He advised the hearings would be held in the Old Supreme Court Chamber in the Senate wing on the second floor of the Capitol. He also indicated that Chairman Bolling was planning on a short question and answer period following the Director's remarks.

5. Advised Miss McCann in the office of Senator John F. Kennedy (D. Mass.) that [redacted] had applied for a position with the Agency in 1954 but that we had no openings at that time. His file was again reviewed in January 1959 and while the situation did not look encouraging, we would be happy to review his file in terms of our present requirements and advise the Senator of the results of that review.
